“ Peggy is the perfect agent for first time homebuyers. As someone with no prior knowledge of the process, I appreciated how clearly, she explained each step, ensuring I never felt lost or confused. With Peggy's expert guidance, the buying process was quick, easy, and free of surprises. Additionally, her network of lenders, attorneys, and title professionals shares her diligent and supportive work ethic, making me feel like I was part of a solid, trustworthy team. Beyond being a phenomenal agent, Peggy is a kind, dedicated lifelong friend.

“

Let me tell you about Ms. Peggy - she's the absolute best Real Estate agent ever - she helped us sell our home during the pandemic - it was a crazy time - we stated a price we wanted - and she got it for us. She worked tirelessly on our home - and I was annoying too :) she kept a great attitude the entire time. We recommend her - on top of that she would bring us pies to our beautiful new home as a good gesture. Peggy is going to be our go to - to sell or buy anything in the future. Highly recommend.

“
Peggy Ritchie helped us find our dream home in 2 months. She was very receptive to our needs and wants, in a home and was extremely patient and personable. House hunting with Peggy was an exciting and very enjoyable experience. We ended up purchasing a foreclosure and completely renovated it. Even after the sale she kept in touch to see how the renovations were going. You can tell she really cares about her clients. I would highly recommend Peggy to help find your dream home.

I've worked with Peggy for over six years — we started before the pandemic and continued all the way until now. During that time, housing prices rose drastically, and I went through many tough moments. Eventually, I gave up on buying a home in New Jersey and shifted my focus to Pennsylvania. But through it all, Peggy stood by me — constantly supporting and encouraging me. Even after she introduced me to a local Pennsylvania agent, she continued to cheer me on. And finally, thanks to her unwavering support, my husband and I were able to find our very first home.

In just a month, we'll be moving into our new house — and I really want Peggy to know how much this means to me.

KW has proven to be an incredibly organized and trustworthy company. And the lender Peggy introduced us to, Chris, was also fast, accurate, and extremely helpful with all the paperwork.

Peggy has been both knowledgeable and helpful throughout the entire process of buying a home. She was a great liaison between all parties involved. I honestly believe without her involved my purchase would have never reached fruition.
